PLACE MARKER

QUETZACOATL

The Feathered Serpent

I SLITHER

FREE

BASE Move a piece. Gain orbs if you form a snake. A snake is 1 or more pieces that are diagonally adjacent to other pieces, and not orthogonally adjacent to any piece. Gain 1 white orb if the snake contains a white piece and 1 black orb if it contains a black piece.

LV 2 If the snake is 2 or more pieces, gain an extra orb of your choice.

LV 3 Gain 1 orb per piece in the snake in addition to the extra from level 2. The orbs gained match the piece colors.

ABILITY LEVEL

1 2 3

II AIR LIFT

3

BASE Teleport the King to an empty space within 3 spaces.

LV 2 The King may teleport within 4 spaces.

LV 3 The King may teleport within 5 spaces.

ABILITY LEVEL

1 2 3

III AIR STRIKE

3

BASE Move a piece that is adjacent to a friendly pawn. The piece picks up the pawn and may fly as it moves. The moved piece must land on an empty space, and the pawn must be dropped on an empty space along the flight path.

LV 2 The passenger may instead capture the first enemy piece flown over.

LV 3 Also pick up an adjacent friendly knight or bishop. Either passenger may capture the first enemy piece flown over, but the other passenger must be dropped on an empty space along the movement path.

ABILITY LEVEL

1 2 3

Place one level marker on each ability track. After this god acts, place a rest marker in the rest well. Remove all rest markers after every drafted god has acted.

REST

PLACE MARKER

CHIRON

The Wise Centaur

I GALLOP

FREE

BASE Move a piece. If you move a knight, gain 1 white orb. If you capture a piece, gain 2 black orbs.

LV 2 Increase each reward by 1: moving a knight gains 2 white orbs and capturing gains 3 black orbs.

LV 3 Increase each reward by 1 again: moving a knight gains 3 white orbs and capturing gains 4 black orbs.

ABILITY LEVEL 1 2 3

II MOUNT

1

BASE Move a knight. A friendly piece orthogonally adjacent to the knight may move with it. Choose an orthogonally adjacent spot to where the knight lands for the piece to dismount. The rider may not capture; the knight can. There must be space for a rider to come.

LV 2 You may move up to 2 orthogonally adjacent friendly pieces with the knight and choose each dismount space.

LV 3 You may move up to 3 orthogonally adjacent friendly pieces with the knight and choose each dismount space.

ABILITY LEVEL 1 2 3

III CHARGE

4

BASE Move a knight like a rook. You get a single move.

LV 2 You can move any knight like a rook for 2 turns.

LV 3 You can move any knight like a rook until Chiron's next turn.

ABILITY LEVEL 1 2 3

Place one level marker on each ability track. After this god acts, place a rest marker in the rest well. Remove all rest markers after every drafted god has acted.

REST

PLACE MARKER

ANUBIS

The Eternal Architect

I CONSTRUCTION

FREE

BASE Move a piece. If you move 1 space, gain 1 black orb. You may choose not to move and gain 2 white orbs.

LV 2 Gain 1 extra black orb if you move a pawn.

LV 3 Gain 1 extra black orb if you move a rook.

ABILITY LEVEL

1 2 3

II HARDEN

3

BASE Move a piece. Mark this piece as hardened. Hardened pieces can't be captured and can't move. Remove all hardened tokens after your opponent takes 2 turns.

LV 2 When Harden would be removed, you may choose to remain hardened until Anubis' next turn.

LV 3 You may remove the hardened marker early by moving the piece without capturing.

ABILITY LEVEL

1 2 3

III MONUMENT

4

BASE Sacrifice 3 pawns. Replace one of them with a rook.

LV 2 Reduce the number of pawns required to 2.

LV 3 Reduce the number of pawns required to 1.

ABILITY LEVEL

1 2 3

Place one level marker on each ability track. After this god acts, place a rest marker in the rest well. Remove all rest markers after every drafted god has acted.

REST

PLACE MARKER

TELES

The Resonant

I SING

FREE

BASE Move a piece. Gain 1 matching orb for every 2 pieces of that color orthogonally adjacent to the moved piece after moving.

LV 2 Gain 1 matching orb for every adjacent piece, including diagonals.

LV 3 Also gain 1 extra matching orb per 2 orthogonally adjacent pieces of that color.

ABILITY LEVEL 1 2 3

II LURE

2

BASE Choose one of your opponent's pawns, knights, or bishops. Mark it as Lured. A Lured piece must be moved closer to your queen on the next turn if possible.

LV 2 You may also target rooks.

LV 3 You may also target queens.

ABILITY LEVEL 1 2 3

III ENCHANT

4

BASE Make one legal move with one of the opponent's pawns, knights, or bishops, then make one legal move with one of your pieces.

LV 2 You may also move an opponent's rook.

LV 3 You may also move an opponent's queen.

ABILITY LEVEL 1 2 3

Place one level marker on each ability track. After this god acts, place a rest marker in the rest well. Remove all rest markers after every drafted god has acted.

REST

PLACE MARKER

ARTEMIS

The Moon Huntress

I TAKE COVER

FREE

BASE Move a piece. If the moved piece has a friendly piece directly in front of it after moving, gain 1 white orb. If you capture a piece, gain 2 black orbs.

LV 2 A friendly piece diagonally in front also qualifies for the 1 white orb.

LV 3 Gain 1 white orb for each friendly piece directly or diagonally in front.

ABILITY LEVEL 1 2 3

II STEALTH

2

BASE Plan a legal move with one of your pieces and remove that piece from the board. On your next turn, place the piece on the destination before taking an action, capturing any piece where it lands. The stealthed piece may not move again on your next turn.

LV 2 You can choose not to move to the planned location and return the piece to where it was. If you do, capture any piece that is currently there.

LV 3 You are allowed to move the piece again on your next turn.

ABILITY LEVEL 1 2 3

III SNIPE

3

BASE Move a piece and then mark it as prepared. At the beginning of your next turn, that piece may capture any piece it is attacking without moving. If it captures with the prepared marker, it is stunned until the end of that turn. If you do not use the prepared shot, remove the marker.

LV 2 Skipping the prepared shot does not remove the marker. It remains until Artemis' next turn.

LV 3 The marker no longer expires when Artemis is called. It remains until the prepared shot is used.

ABILITY LEVEL 1 2 3

Place one level marker on each ability track. After this god acts, place a rest marker in the rest well. Remove all rest markers after every drafted god has acted.

REST

PLACE MARKER

KANGUS KONG

The Unbound

I GOAD

FREE

BASE Move a piece. Until Kangus' next turn, gain 2 of each orb if that piece is taken. If the moved piece is adjacent to a banana, gain 1 white orb.

LV 2 Gain 1 white orb for each adjacent banana.

LV 3 Gain 3 of each orb if the piece is taken.

ABILITY LEVEL

1 2 3

II BANANA PEEL

1

BASE Move a piece, then leave a banana peel token in an orthogonally adjacent empty spot. It stays there until an opponent steps on it. That piece must stop moving.

LV 2 You may throw the banana to any empty space within 2 spaces of the moved piece.

LV 3 Any piece that steps on the banana is stunned for one turn. Stunned pieces cannot move or be moved by any abilities.

ABILITY LEVEL

1 2 3

III RAGE

3

BASE Choose a friendly piece and capture all friendly and enemy pieces adjacent to that piece.

LV 2 You may choose not to capture friendly pieces.

LV 3 You may move the chosen piece 1 legal space before capturing adjacent pieces.

ABILITY LEVEL

1 2 3

Place one level marker on each ability track. After this god acts, place a rest marker in the rest well. Remove all rest markers after every drafted god has acted.

REST

PLACE MARKER

DEATH

The Last Witness

I MARKED

FREE

BASE Move a piece. At the end of Death's next action, the Mark kills this piece and grants 3 black orbs. If the piece is captured or dies from another effect first, gain no Mark reward. A King cannot be killed by the Mark and grants no reward when it clears. You may choose to do nothing.

LV 2 If you choose to do nothing, gain 1 white orb.

LV 3 You may execute the moved piece immediately for 5 black orbs instead; it does not also grant the delayed 3.

ABILITY LEVEL

1 2 3

II RESURRECT

4

BASE Revive a piece from your graveyard. Place the piece in an empty spot adjacent to one of your Bishops. Requires a Bishop to use.

LV 2 You may spend 6 white orbs total to revive 2 pieces.

LV 3 Revived pieces do not need to spawn in empty spots and may capture a piece where they spawn.

ABILITY LEVEL

1 2 3

III SIPHON

1

BASE Move a piece. It must end its move adjacent to an enemy piece. Steal up to 2 white orbs from the enemy player.

LV 2 Steal up to 2 white orbs from each of up to 2 adjacent enemy pieces.

LV 3 Steal up to 2 white orbs from each of up to 3 adjacent enemy pieces.

ABILITY LEVEL

1 2 3

Place one level marker on each ability track. After this god acts, place a rest marker in the rest well. Remove all rest markers after every drafted god has acted.

REST

PLACE MARKER

LEONIDAS

The Warrior King

I ROYAL STEP

FREE

BASE Move a piece. If you move the king, gain 1 black orb. If you move backwards, gain 1 white orb.

LV 2 Also gain 1 black orb for moving a pawn.

LV 3 Also gain 1 white orb for moving sideways.

ABILITY LEVEL

1 2 3

II MARCH HOME

2

BASE Teleport the King back to his starting space, capturing any piece that's there.

LV 2 The King may take 1 adjacent piece with him. It stays in the same relative space and captures any piece there.

LV 3 The King may take any number of adjacent pieces with him.

ABILITY LEVEL

1 2 3

III ESCORT

2

BASE Move the King 1 space, moving one adjacent friendly piece with him. The friendly piece captures any piece it lands on.

LV 2 The King may move all adjacent friendly pieces with him.

LV 3 The King and his escorts may move 2 spaces in any 1 direction.

ABILITY LEVEL

1 2 3

Place one level marker on each ability track. After this god acts, place a rest marker in the rest well. Remove all rest markers after every drafted god has acted.

REST

PLACE MARKER

MEDUSA

The Veiled Gorgon

I CAPTIVATE

FREE

BASE Move a piece. For each queen that piece is in line of sight with, gain 1 orb of the respective color. The queen is always in line of sight with herself.

LV 2 If the piece moves from out of a queen's line of sight into that queen's line of sight, gain 2 matching orbs from that queen instead.

LV 3 If the piece moves into a queen's line of sight, gain 3 matching orbs from that queen instead.

ABILITY LEVEL

1 2 3

II SERPENTINE STEP

1

BASE Move the queen or a pawn diagonally twice without capturing.

LV 2 The queen can move diagonally three times. A pawn still moves twice.

LV 3 The queen can move diagonally any number of times. A pawn still moves twice.

ABILITY LEVEL

1 2 3

III STONE GAZE

3

BASE All pieces within line of sight of your Queen, friendly and enemy, can't move for 2 turns. The Queen can't move while any of them remain frozen.

LV 2 Those pieces can't move for 3 turns.

LV 3 Those pieces can't move until Medusa's next turn.

ABILITY LEVEL

1 2 3

Place one level marker on each ability track. After this god acts, place a rest marker in the rest well. Remove all rest markers after every drafted god has acted.

REST

PLACE MARKER

SALEM

The Ashen Witch

I HEX

FREE

BASE If there are no currently hexed living pieces, choose up to 2 enemy pieces to mark as hexed. Move a piece. Gain 1 orb matching the color of the space you landed on for each hexed piece in the same row or column.

LV 2 When placing hexes, you can hex up to 3 pieces.

LV 3 Hexed pieces also count as aligned when they are on the same diagonal.

ABILITY LEVEL

1 2 3

II POISON CLOUD

3

BASE Choose an opponent's piece and mark it as poisoned. That piece may not move more than 3 spaces in a turn until it moves.

LV 2 Choose a 1×2 or 2×1 area; every opponent's piece in that area is poisoned.

LV 3 Choose a 2×2 area; every opponent's piece in that area is poisoned.

ABILITY LEVEL

1 2 3

III POLYMORPH

3

BASE Choose an opponent's piece. Mark that piece as polymorphed. It moves like a pawn for 2 turns.

LV 2 The polymorph lasts 3 turns.

LV 3 The polymorph lasts until Salem's next turn.

ABILITY LEVEL

1 2 3

Place one level marker on each ability track. After this god acts, place a rest marker in the rest well. Remove all rest markers after every drafted god has acted.

REST

PLACE MARKER

MIDAS

The Gilded Magnate

I BARTER

FREE

BASE Move a piece. If it lands adjacent to an enemy piece, you may give the opponent 1 orb of your choice and take 2 orbs of the opposite color.

LV 2 When trading, also gain 1 orb matching the color of the space you landed on.

LV 3 When trading, take 3 orbs of the opposite color from your opponent instead of 2.

ABILITY LEVEL

1 2 3

II MILITARY FUNDING

1

BASE Move 2 pawns.

LV 2 You may move any number of pawns, paying 1 white orb for each move past the first.

LV 3 If none of the moves this turn capture or promote, you may move the same pawn multiple times, still paying 1 white orb for each move past the first.

ABILITY LEVEL

1 2 3

III LEVERAGE

4

BASE Move a piece, then choose an adjacent enemy pawn, bishop, or knight. Give that piece's controller the 4 black orbs used to pay for this ability. Mark that piece as hired; you now control it.

LV 2 You may hire a rook for 5 black orbs; give all 5 orbs to its controller.

LV 3 You may hire a queen for 6 black orbs; give all 6 orbs to its controller.

ABILITY LEVEL

1 2 3

Place one level marker on each ability track. After this god acts, place a rest marker in the rest well. Remove all rest markers after every drafted god has acted.

REST

PLACE MARKER

ARES

The Red Spear

I THREATEN

FREE

BASE Move a piece. Gain 1 black orb if that piece is attacking an enemy piece. Gain 1 white orb if that piece is your farthest advanced piece; ties don't count.

LV 2 Ties count for the white-orb reward. Gain 1 extra white orb if the moved piece is the sole farthest advanced piece.

LV 3 Gain 1 black orb for each enemy piece being attacked instead of only 1 black orb.

ABILITY LEVEL

1 2 3

II PICK A FIGHT

2

BASE Teleport a knight or bishop to an empty space where it is being attacked.

LV 2 It may instead teleport to an empty space where it attacks 2 enemy pieces.

LV 3 You may teleport any type of piece to an empty space where it is being attacked.

ABILITY LEVEL

1 2 3

III CULL THE WEAK

3

BASE Move a piece to a spot where it is attacking multiple pieces. Capture the lowest point value piece that it is attacking.

LV 2 You may instead capture an attacked knight or bishop, even if it is not the lowest value, but must then move to its space.

LV 3 You may also capture an attacked rook this way.

ABILITY LEVEL

1 2 3

Place one level marker on each ability track. After this god acts, place a rest marker in the rest well. Remove all rest markers after every drafted god has acted.
